Dear Parents / Carers,

Thank you to all the parents who attended our 'meet the teacher / parent meetings' this week. It is so important that home and school work together and that we support each other. We will email out all of the powerpoints used in the sessions next week.

Well done to our Year 3 children (class 7 and 8) who were the 1<sup>st</sup> year group to embrace our school value of 'opportunity' this term and visited Shrewsbury last week - the venue commented on their excellent behaviour and manners.

**Flu Vaccination** - just a reminder that you will have been sent a link to a consent form for your child to receive the free flu vaccine. Please complete the consent form with either YES or NO - if you do not fill the consent form in, then you will continue to receive texts and phone calls from Vaccination UK. The flu vaccination clinic will take place in school on Monday 2<sup>nd</sup> October.

### Congratulations to our Stars of the Week

## 5 reasons to vaccinate your child against flu

- 1. **Protect your child.** The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia.
- 2. **Protect you, your friends and family.** Vaccinating your child will help protect more vulnerable friends and family.
- 3. **No injection needed.** The nasal spray is painless and easy to have.
- 4. **It's better than flu.** The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record.
- 5. **Avoid costs.** If your child gets flu, you may have to take time off work or arrange alternative childcare.

#### What should I do?

Children aged two and three years old are offered this vaccination in general practice. Your child's GP surgery should contact you. If you haven't heard from their GP by early November, contact them directly to make an appointment.
