Dear Parents / Carers,

And that's it! Another year finished and what an amazing year it has been! It has been so lovely to have a year not affected by 'covid' and for us to start to re-introduce our core value of 'opportunity.' Our children have been to museums, farms, the theatre, the seaside, a theme park, residential, swimming - some of them have even met royalty! We have seen success both in the classroom, with improved multiplication check results, improved phonics results and improved KS2 SAT results. We have also seen success out of school on the sports field, with children competing in football, cricket, dodgeball, netball and many other sports competitions.

This week, we finally completed our sports races and this year the winners are: KS1 (infants - class 1,2,3,4,5,6) **JUPITER**, KS2 (juniors - class 7,8,9,10,11,12,13,14) **MARS** and the overall winners **MARS**
