

STRIKE ACTION - The National Education Union has planned strike / industrial action on:

- Wednesday 1st February
- Wednesday 1st March
- Wednesday 15th March
- Thursday 16th March

*Not all teachers are in this union and not all teachers will be taking strike action on this day. However, it is likely that **school will be closed to some classes** on the dates above so please start to make childcare contingency plans.*

Dear Parents / Carers,

Thank you to all the parents who attended our workshops this week, it was great to see parents wanting to engage with their children's learning and taking the time to attend school. We will be sending out the PowerPoints from the workshops to all parents via the SIMS parent app.

Maths and Times tables - last week, I asked for your help with regards to your children learning their times tables - please ensure that they are logging on and using TT rockstars daily to help them with their timetables practise. Please ask your child's class teacher if you are not sure about log ons etc.

Feedback follow up - Mrs Reynolds would like to thank you for your responses and will be looking at workshops and resources to support your requests and suggestions.

Congratulations to our Stars of the Week!

BAD WEATHER – SHOES

Just a reminder that if you send your child into school with wellies or boots due to the bad weather, then they need to bring their school shoes with them too.

Children will then change from their shoes into their wellies / boots for any learning outside.

Here's a Maths fact for you....

The word "hundred" comes from the old Norse term, "hundrath", which actually means 120 and not 100.

How many places can you see the number 100 in your everyday life?
