Have a lovely weekend, Mrs Hay Head Teacher

## Reminder - Drinks in school

During lessons, water is available for all children. At lunchtimes, children are provided with milk and water. If absolutely needed, then children are allowed to bring their own squash or flavoured water <u>for lunchtime only</u>.

Unfortunately, we are seeing some children trying to bring in hydration drinks including Prime, Lucozade etc - these should <u>not</u> be in school as they are not healthy or suitable for young children.

Water and milk are provided for your child at lunchtimes, so your child does not need to bring anything additional. However, if you do feel that they need an alternative to milk or water at <u>lunchtime only</u> then it can only be flavoured water or squash.
