Dear Parents / Carers,

Another busy week at Eastfield, on Monday our Year 6 set off on their 5 day PGL residential to Liddington. We are delighted to be able to provide these opportunities again to our children as the last time we were able to send Y6 on residential was in 2019! Residential and visits are an important part of our school value 'opportunity.' **A big thank you to Miss Jones, Mrs Hylton, Miss Whitehouse and Miss Tour for giving up their own time and their own families to accompany our children to PGL, they definitely show the 'Eastfield Above and Beyond!'**

Also on Monday, we saw a 'sea of yellow,' the school was like a ray of sunshine and we definitely learnt that 'it is ok to not be ok!' Thank you for all your support with wearing yellow and also for your very kind donations to Young Minds #Hello Yellow campaign.

Always remember
You are stronger than you think
Braver than you believe
More beautiful than you imagine
Loved more than you know

Congratulations to our Stars of the Week

- well done!

WORD OF THE WEEK - This week our word is 'OBLITERATE'

It is a verb - to remove, hide or destroy completely. It means to remove from existence. It means to destroy all trace, indication, or significance of something. It means to remove from memory or recognition.

Synonyms: abolish, annihilate, black out, cancel, eradicate, erase, exterminate, wipe out

E.g The tide came in and obliterated all the sandcastles on the beach.
E.g The March snowstorm obliterated our hopes for an early Spring.

Please ask your child about the word 'OBLITERATE' and encourage them to use this word in their everyday talking and their homework.

Congratulations to Mrs Fellows and her husband on the birth of their daughter on Wednesday. We wish you all the best and hope that there are not too many sleepless nights!

Harvest

This year we are celebrating Harvest within school by learning songs and poems. We are not asking for Harvest donations this year, as I do not feel it is fair to ask for food or money when we are all struggling with rising food and energy costs. For this year, I would like us to follow the motto that 'charity begins at home' and for you to look after your own families.

The whole school will be celebrating with an assembly on Tuesday morning. We are using the church for our assembly, as it is the only space where all classes can all be together (our school halls are not big enough). On this occasion we will **not** be inviting parents.

However, after $\frac{1}{2}$ term we are restarting class assemblies and parents will be invited into school to watch these assemblies. Parents will also be invited to our Early Phase Christmas Concert, our Lower Phase Easter Concert, and our Upper Phase Summer Concert - all held at the church. By having phase celebrations this means that there are less children in church and more room for parents.

I hope that you have a lovely weekend,
Mrs Hay
Head Teacher
