10th February 2023

Dear Parents / Carers,

This week we have taken part in Safer Internet Day and have learnt all about the positive and negative side to being online. Unfortunately, we are seeing a rise in friendship issues which originate from apps / social media such as What's app, Snapchat, Tik Tok etc. I would like to remind parents that **NO** primary aged child should be accessing or downloading these apps / social media due to the 13/16/18 age limit. Please check your child's devices and monitor / restrict their usage. The friendship fall outs are showing us why there are age limits - lots of our children are struggling to use social media responsibly and this is why there is an age limit. We do all we can in school, however these issues are taking place at home and out of school and so we need you, as parents, to support us by monitoring your child's devices e.g. phones, tablets, games consoles and deleting apps / social media that have a 13/16/18 age limit.

Congratulations to our Stars of the Week!

Ron and Eva each make a 3-digit number from these digit cards.

- Ron makes the largest even number possible.
- Eva makes the smallest odd number possible.

What is the difference between their numbers?

This week, our Head Boy, Head Girl, Deputy Head Boy, and Deputy Head Girl celebrated our 'Good' Ofsted rating with Wolfie and Wendy. They also received a visit from Councillor Burden and our Chair of Governors – see Wolverhampton Today FB page. As always, our four 'Head / Deputy Head' children were AMAZING ambassadors for our school.
