Dear Parents / Carers,

This week, I would like to start by thanking the Year 2 children and Year 2 staff for their resilience this week during their KS1 Reading and Maths tests. The children were amazing and really tried their hardest - what more can I ask for! We take a break from tests for a week then after half term, we have the Y1 Phonics check and the Y4 Multiplication check.

Mental Health Awareness Week

This week in school, we have been reminding ourselves of the strategies that we use when we are feeling a bit worried or anxious - we have looked again at our zones of regulation and know what to do if we are feeling in the yellow or blue zone. At Eastfield, we 'check in' every morning and place ourselves in a zone.

I would like to say thank you to Reflexions and also Mrs Reynolds for facilitating a parent's workshop on anxiety this week - if you would like any further workshops please contact the office and ask to speak to Mrs Reynolds, our Senior mental Health Lead.

Congratulations to our Stars of the Week!

Dates for Diary

Friday 26th May – Class photos and Y6 Leaver's photos

Friday 26th May – 9:30am Class 4 assembly to parents

Break up for half term Friday 26th May at 3:20pm

LATES

School starts at 8:55am PROMPT. Gates open at 8:45am and close at 8:55am. Please ensure that you set off in plenty of time and develop good working habits with your children. We need to be on time for school, just like we need to be on time for appointments, work etc.

MOBILE PHONES

We do not allow children to bring mobile phones into school - please see the school's mobile phones policy on the school website in the parents section.

National Numeracy Day – Let's all get talking about Maths

This week we celebrated all things Maths and even thought about our dream jobs and how we would use maths and numbers in this job! Do you love Maths?

Love it? Loathe it?

Talking Point 1

What one word that describes how you feel about maths, positive or negative? Why?

Give me one word

Talking Point 2

Love it or loathe it, everyone has something to say about maths. What's your number story?

How many of us?

Talking Point 3

Around half of UK adults have the numeracy levels expected of a primary school child. Does this surprise you?

Blue Zone

I am running slow.
