Dear Parents / Carers,

Another busy week in school, Class 5 and Class 6 went to the Coventry Transport Museum and Class 3 went to Kingswood - these visits really do bring our children's learning to life! We have also had 2 members of our staff visit the Mayor's Chambers in Wolverhampton to receive their Autism Leader's Award. Miss Barnett and Miss Eagle have worked and studied very hard with the University of Wolverhampton to achieve this award. At Eastfield, we believe that we are all learners, even teachers! Well done to both of them!

Next week, we will be celebrating Harvest within school by learning songs and poems. We will not be asking for Harvest donations, as I know that in the coming weeks, we have our bring a bottle competition and we will also be holding our annual raffle. The whole school will be celebrating with an assembly on Tuesday morning. We will be walking to St Matthew's Church for our assembly. It will be lovely to have the whole school together at church, as this is the only space where all classes can be together (our school halls are not big enough). On this occasion, due to fire restrictions, we will not be inviting parents. Parents will be invited for our Christmas celebrations at church.

Congratulations to our Stars of the Week
