19th April 2024

Dear Parents / Carers,

We are now back into the swing of school life and are busy with our summer term learning! Thank you to all the parents who attended the parent's workshops this week, it is really important that home and school work together as this is how the children make the greatest progress. We have seen some real successes in Year 1 this week with parents who have been working with their children with their reading and phonics - thank you for your support.

Congratulations to our Stars of the Week

Break up for half term **Friday 24th May**, school reopens on

Monday 3rd June at 8:40am

Each term we focus on a 'thread' of our positive behaviour for learning policy and this term we are focusing on Thread 5 - A Plan for Every day!

During this term, we will be taking time to pause, listen and reflect. Sometimes we rush into situations and if we had just taken a moment to pause and think / listen before we reacted, then the outcome could have been very different. E.g. how many times, have we sent a message in the heat of the moment and then regretted it afterwards, perhaps if we had paused and thought about things clearly, would we have sent the same message?

Have a lovely extended weekend, see you all on Tuesday 23rd April at 8:40am.

Times Tables

Times tables are so important. They really haven't change since I was in school (a long time ago!) – you just need to learn them off by heart! Keep practising them with your child, thanks
