Dear families,

It has been a very busy week in school this week for our children - we held our 2 minute silence on Monday for Remembrance Day, we wore odd socks to start off Anti-Bullying week, we have considered 'how to choose respect' as part of our work for Anti-bullying week, we have welcomed parents into school to look at our books and learning, we have celebrated positive noticing day and all children have been 'positively noticed' by staff, we have had our 1<sup>st</sup> class assembly of the year, Y5 have had a Greek workshop, Y2 visited the butterfly farm and some of our Y6 children have represented the school in a dodge ball competition.

Last 1/2 term, we focussed on 'thread 1' routines within school. This 1/2 term, we are focussing on 'thread 2' relationships and positivity - we will be recognising those children doing the right thing through our recognition boards and rewarding those children who go 'over and above.' We will be positively noticing children, as being positively noticed by others builds self-esteem, supports relationships, promotes good mental health and influences behaviour choices.

Positive noticing works at home too - why not put a positive note in your child's lunch box? Or try positive noticing before / after school and see what happens.

We all like to feel valued and recognised for good things!
