Head Teacher: Mrs Hay

Dear Parents,

I am now in a position to detail our plans for your child's induction in September. As you are aware, unfortunately we have been unable to welcome parents or new Reception children into school this term and so we have planned a virtual induction.

On our school website www.eastfieldprimaryschool.org.uk please go to > parents > New Reception Starters September 2021 and here you will find lots of information to support you and your child including video introductions to key staff including your child's class teachers. On the 'New Reception Starters September 2021' page - click on each 'Ladybird' and you will find information attached. School Uniform can be bought via the school office using SIMS pay or by visiting 'Lads and Lassies School Wear' in Penn, <https://www.ladsandlassesschoolwear.co.uk/product-category/primary-schools/eastfield-primary/>

Eastfield is a school built on relationships and so during the 1st week of term, Mrs Evans and Miss Arshad and members of the Reception Team will be visiting all of the children in their class at home to say hello and also to deliver a special 'starting school' book for your child to work through. It is important that both you and your child are able to speak to your child's class teacher individually before their actual start date and we thought that you and your child might be more comfortable in your own environment. We are also planning times for you to come and have a 'tour' of your child's classroom and the 'outdoor classroom.'

We have split both classes into 2 groups and your child is in **GROUP A** - this means that there will be a smaller number of children for the 1st few days whilst children settle into school.

Induction Dates:

Friday 3 rd September / Monday 6 th September 9am-3pm	Class teachers will visit children and parents at home to introduce themselves and deliver a book. We will phone you to say that we are on our way!

For the 1st 3 weeks of induction, in order to minimise contact and to facilitate social distancing (if restrictions are still needed) we will be using the blue fire doors (next to the green container) on the shared car park for your child to enter the reception classrooms. These blue doors will be clearly sign posted and we will ask you to line up outside the doors and wait for school staff.

I know that your child starting school can be both an exciting and worrying time and yet I would like to reassure you that both myself and the staff in Class 1 and Class 2 will do our very best to make it a very special time for both you and your child.

I look forward to meeting you and your child in September. Take care Mrs Hay
