27<sup>th</sup> February 2025

Dear families,

Our academic parent's evening will take place on Tuesday 18<sup>th</sup> March 3:30-6:30pm. We are now  $\frac{1}{2}$  way through the school year and we would like to invite you into school to look at your children's books and to discuss your child's academic attainment and progress with you.

Parent's evenings are important for you to be able to discuss the academic progress of your child - where your child is performing, where they are strong, where they need to improve next. It is also important that we share the 'year group expectations' with you as the school curriculum is challenging and very different to when we were at school; this is why we also have parent workshops / meetings for each year group at the beginning of each term. Please help your children with their times tables, number bonds / number facts, spellings, word reading, home reading and their weekly homework - it is important that home and school work together

You will need to make an appointment to see your child's class teacher using the school cloud website [SchoolCloud - Eastfield Primary School](#) - see below.

Parent's evening will be face to face in school until 6pm, there will be virtual appointments available between 6-6:30pm for those parents who are not able to attend before 6pm due to work / college commitments.

**Class teachers are only available on Tuesday 18<sup>th</sup> March and this parent meeting is not a drop in - it is by appointment only.**

The appointment booking website will be open from 9am Tuesday 4<sup>th</sup> March until 9am Tuesday 18<sup>th</sup> March.

If you have any issues booking an appointment, then please email [office@eastfieldpri.co.uk](mailto:office@eastfieldpri.co.uk) or phone 01902 558604 and Mrs Stewart or Miss Kibiedi will be able to help you.

Thank you for your support.
