Dear Parents / Carers,

Thank you to all parents who attended our teacher workshops this week - we will send the PowerPoints out to parents via the SIMs parent app so that you can refer to them. We start each term with a parent workshop so that you know what your child's learning will be for the Spring term - you can also find out about your child's learning on our website - see links below.

This term our school core value is 'care' and we will be focusing on our understanding of 'care' in our assemblies and through our PSHE lessons. By care we mean:

- Listening to what children say.
- All children are valued.
- Providing children with a safe and stimulating environment, free from litter, free from danger – a place where they can take risks safely.
- Teachers and children are careful when writing in books and we take care with our handwriting.
- That we look after each other and care for each other.

Have a lovely weekend, let's hope it warms up!
