

Between the 12th - 14th November, if your child is in KS2, they will be participating in **England Rocks!** Your child can take part at home too! They will need to sign on to **Times Tables Rock Stars (TTRS)** between 7.30am - 7.30pm and answer as many multiplication and division questions correctly as they can. Every pupil can only sign on for an hour, each day, to ensure it is fair. The winning school and class will be based on the highest average number of correct answers per pupil. There are even prizes for the best class!  
I wonder who will win...

8<sup>th</sup> November 2024

Dear families,

It has been a wonderful 1<sup>st</sup> week back, the children are really keen with their learning and there has been lots of exciting lessons taking place.

Next week, we are looking forward to welcoming parents into classrooms for our 1<sup>st</sup> parent / teacher 'drop in.' On Tuesday 12<sup>th</sup> November anytime between 3:30-4:30pm, classrooms will be open for you to view your child's work and learning so far this year. Teachers will be present within the classrooms, however there is no appointment needed - it will be quieter if you arrive after 3:45pm. For safeguarding reasons, all children will be dismissed from classrooms 1<sup>st</sup> and we will then re-open the main office door at 3:30pm. Please help us by collecting your child promptly at 3:20pm. There will be NO clubs on Tuesday night.

**Congratulations to our Stars of the Week!**

Odd Socks Day marks the start of Anti-Bullying Week.

We will be taking part on **Monday 11<sup>th</sup> November** and the theme is 'Choose Respect'. The idea of Odd Socks Day is to celebrate what makes us all unique and spread kindness! **WE WOULD LIKE ALL CHILDREN TO COME TO SCHOOL ON MONDAY WEARING THEIR SCHOOL / PE UNIFORM AND ODD SOCKS.**

**Positive Noticing Day**

As part of our work on Thread 2 of our positive behaviour for learning policy we will be celebrating positive noticing day next Wednesday.

We will be spending time throughout the day thinking about the power of positive noticing. It is simple, practical, and highly effective. Being positively noticed by others builds your self-esteem, supports behaviour, and promotes good mental health. We will be encouraging pupils to positively notice one another, and we will be sending all children home with a positive statement about themselves from the adults in their classroom.

You may wish to join in with us on Wednesday and use Positive Noticing Day as an opportunity to start daily Positive Noticing in your home. We know that children who are positively noticed by their parents are happier, healthier, and more resilient and secure. You could create and share positive labels / post it notes as a family and save them, perhaps stick them on the fridge, the back of the door or put them in an old picture frame.

Here are some ideas to get you started:

- 'You are so good at sharing with your sister. You are such a kind person.'
- 'I noticed that you were really kind to XXXX at school. That made me really proud of you.'
- 'Thank you for putting your clothes in the wash basket. I notice you are following the routine and remembering it perfectly. You are really trying, and I appreciate it.'

We hope you enjoy the day and want to say 'we notice you' and the effort you make to support your children, to engage them in learning and enrich our school community. You can find out more about Positive Noticing and Positive Noticing Day at <https://www.positivenoticingday.com/homeadults>

Have a lovely weekend,
