Dear Parents / Carers,

Today was a 'sea' of red, white and blue! We have had a wonderful time celebrating British Values and the Queen's Platinum Jubilee! A big thank you to Sheila and our catering staff for all their hard work with the Jubilee buffet box lunch. Another thank you goes to Mick, our site manager for decorating our school with metres and metres of bunting! And finally, a big thank you to parents and carers for supporting us with our celebrations - I do hope that you have a lovely half term next week and are able to enjoy your own festivities over the Bank Holiday.

Well, another $\frac{1}{2}$ term is over and it has certainly flown past! This short $\frac{1}{2}$ term feels our busiest yet, we have delivered SATs tests to our Year 2 and Year 6 children. Many of our year groups have been on school visits and have enjoyed learning outdoors again. We have welcomed lots of theatre workshops into school and so school now feels more like a school again!

Next $\frac{1}{2}$ term, we will be removing some of our final COVID measures, we will no longer be hand sanitising on the gates, we will be removing the cones from the front of school and we will be starting to remove the herring fencing from outside the Community Centre. We will continue to remain vigilant and will continue with frequent handwashing, as part of our normal school hygiene measures.

I am also pleased to report that we will be able to have our 1st sports days for over 2 years (weather permitting) next $\frac{1}{2}$ term - more details to follow but please keep Friday 15th July free in your diaries. Your child will need a Tshirt in the colour of their house - red (Mars), blue (Saturn), yellow (Jupiter) or green (Neptune).

I wish you all a lovely half term holiday.

Mrs Hay
