Dear Parents / Carers,

Another busy week in school, thank you for attending parent's evening. We hope that you liked our improved way of working and were able to secure a face to face or video appointment to suit your home / work circumstances. Parent's evenings are important for you to be able to discuss the academic progress of your child - where your child is performing, where they are strong, where they need to improve next. It is also important that we share the 'year group expectations' with you as the school curriculum is challenging and very different to when we were at school; this is why we also have parent workshops / meetings for each year group at the beginning of each term. Please help your children with their times tables, number bonds / number facts, spellings, word reading, home reading and their weekly homework - it is important that home and school work together.

Next week, we will be sending your child's Spring Term report via email - please let the office know if you have changed your contact email (office@eastfieldpri.co.uk) and we can update your child's record or please update your details using the SIMs parent app.

Congratulations to our Stars of the Week!

BREAKFAST CLUB IS FULL AT THE MOMENT - please email the office if you need this weekly paid childcare service and we will add your child's name to the waiting list.

After School PE Clubs - New clubs and sports activities will be sent via the SIMs parent app after Easter. These clubs are NOT childcare and are for specific year groups only (Y2 upwards). Mr Tew oversees all of our sports clubs and club allocation is made via the SIMs parent app ONLY. New Clubs will start week beginning 24th April.

MATHS - Can you solve this puzzle?

$$\begin{array}{r}
 \text{Red flower} + \text{Red flower} + \text{Red flower} = 60 \\
 \text{Red flower} + \text{Blue flower} + \text{Blue flower} = 30 \\
 \text{Blue flower} - \text{Orange flower} = 3 \\
 \text{Orange flower} + \text{Red flower} + \text{Blue flower} = ?
 \end{array}$$

Have a lovely weekend, and don't forget that we all lose an hour's sleep this weekend! However, this means that lighter nights and sunnier weather are on the way!
